Finding of No Significant Impacts

DOI-BLM-NM-A020-2016-0015-DNA

Merriman Playa Core Samples 2016

Based on the analysis of potential environmental impacts contained in the attached Determination of NEPA Adequacy (DNA), and considering the significance criteria in 40 CFR 1508.27, I have determined that the proposed action will not have a significant effect on the human environment. An environmental impact statement is therefore not required.
